

# Dr. Bethany Dixon's Presentation

"Welcome to the new era of unlimited possibilities with  
HydraStat™ Nano Technology"

Video menu:

What human cells need to survive 1:18

What is Glutathione 2:13

How the body is created beginning with atoms 5:52

How glutathione functions in cells 7:11

Glutathione research 11:00

Factors that decrease glutathione 11:52

Why glutathione levels are difficult to raise 20:08

The old age of precursors 21:01

Instant absorption with nano glutathione 23:09

What is nanotechnology? 26:38

The benefits of glutathione 27:56

NurtiSwish & Neumi Skin 35:38

What sets Neumi apart? 38:00
